To

The Secretary
of Local Self Govt
Bangalore

Sir,

The Tiptur Town Municipal Council submitted to Govt a resolution more than two years back requesting them to confer upon it the previlEage of electing a non-official president The previlEage has not yet been conferred upon it. Tiptur is not a small place. It has a number of educated non-officials who are capable of filling the place of president with great distinction Moreover the income of the Municipality also justifies the conferring of such a previlEage upon it Now the term of the present Council has come to an end In about two months fresh Council will be constituted. It is a most oppertune moment to confer upon it the right of eleting a president I request you to kindly take the matter into your kind consideration and secure us this previlEage from Govt at an early date and oblige

Thanking you in anticipation,

Yours sincerely,
Dasallappa

EXTRACT.

The Tiptur Municipal Council may be given the privilege of electing a non-official President, provided it appoints Chief Officer.

(10)

Letter dated the 26th May 1937, from Mr. D.S. Mallappa, Merchant and Member of the Mysore Legislative Council, to the Dewan of Mysore, Bangalore.

More than two years back Tiptur Town Municipal Council passed a resolution requesting the Government to confer upon it the right of electing a non-official President. This matter has been repeatedly urged for the last seven or eight years. In spite of this I regret to find that the right has not yet been conferred upon our Council. Tiptur is not a small town. It has got a number of non-official educated gentlemen who are quite capable of filling the place of the president with great distinction. If the privilege is not conferred upon such a Municipal Council I do not know which then is the best Municipality upon which the Government confer this privilege. Even in point of income Tiptur Municipality has a very large income. Now the term of the present Council has come to an end. In the course of about two months new Council will be constituted. It is a very opportune time to confer upon it the privilege of electing its own President. I request you to kindly confer upon the Council the privilege of electing a non-official president after the new council is constituted and thereby earn everlasting gratitude of the public of Tiptur and oblige.
